

**GRACE CHURCH
GREENWICH**

Summer Internship

7th-21st July 2024

A Taste of Ministry

Grace Church is an evangelical Anglican church with three congregations meeting in Greenwich, Canada Water, and Mottingham.

Join us for our two-week internship this summer to be better equipped to serve Jesus in your context.

Successful applicants will also have the option of signing up for the Cornhill Summer School before the internship and serving on a summer camp for young people after the internship. There are a variety of summer camps which different members of our church are involved with.

FAQs

Who is it for?

Applicants should be 18 years or older. They should be Christians who are committed to the Bible, eager to learn and willing to humbly serve. Some will be thinking of a future in full-time Christian ministry, but others won't.

Where would I stay?

We would endeavour to offer accommodation with members of our church family where possible.

How much does it cost?

The internship itself is free but you will be responsible for your living costs. We will be able to advise on budget. You would need to cover the cost of the Cornhill Summer School and/or summer camp if you decided to attend.
