## FIND IT

Let's see what the Bible says!

Can you **draw** a big surprise which happened to you?

~~**SURPRISE!!**~~

**Peter** tells about something which is not a surprise.

What is it?

**Draw arrows** to match the words.

Can you **draw** the face we should not make when painful things come?

1 Peter 4:12

What face should we make instead?

Can you **draw**?

1 Peter 4:13

**Peter** says, we are just like someone else.

**Circle** the answer. 1 Peter 4:13

Who are we like?

No one - Anyone - Christ

How are we like him here? He had an easy life - He did miracles - He suffered

What does that mean we should feel? Only sadness - Joy! - Laziness

~~**SURPRISE!!**~~

## THINK IT

### Why was this written?

**Peter** says that Christians shouldn't be surprised by suffering. Instead, we should rejoice!

Which reasons can you find to rejoice? **1 Peter 4:13**

**Circle your answers.**

*Suffering doesn't matter.*

*We won't really suffer.*

*Suffering isn't sad.*

*Christ will come back!*

*Christ suffered like we do.*

*We will rejoice then!*

**How** will you feel when Christ comes back to make all sad things go away forever?

## LIVE IT

### So what?

**So then, for Christians today...**

When is it hard to remember that we will suffer like Jesus did?

What should we remember when we suffer for trusting the Lord?

## PRAY IT

Let's pray about this passage:

- What can we thank God for?
- What can we ask for help knowing and living?

*Dear Father...*

*In Jesus' name I pray, amen.*
