The following song playlist will be used for the Sailors.

📺 Q1 What is Our Only Hope in Life and Death?

## Week by week - Leaders

I'll provide a lesson outline on the GDrive to assist your preparation.

**Please read** the passage, considering how it applies to yourself and to the children.

**Please think** about how to adapt the lesson outline to your particular group of children.

Also how your helpers could best help you, perhaps to divide the children into smaller groups.

**Please pray** for yourself and for the children, that we would all see the wonders in God's word that week.

*"Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth." 2 Timothy 2:15*

## Week by week - Helpers

**Please familiarise** yourself with the memory verse and songs. This will be a great help for the lesson leader.

**Please arrive**, if you can, before the service starts to pray with your lesson leader and be briefed on how you could be most helpful to them, this will often be just being a model Christian.

**Please pray** for yourself and for the children, that we would all see the wonders in God's word that week.

*"In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven." Matthew 5:16*
