

Name: _____

Officers - Hearts and hands

This week, we're discovering: Hebrews 2:5-3:1

FIND IT

CROWNED

Can you **draw** a messy kingdom?

God has big things to say about humans.
What are they? **Draw arrows.** 2:7-8

"For a ____ time you made him
lower than the ____.

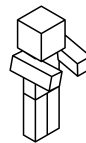

But you ____ him
with ____ and ____.

You put ____ things
under his ____."

- short
- unicorns
- control
- honour
- all
- pizza
- crowned
- angels
- Steve
- glory

Can you **draw** humans
crowned in glory?

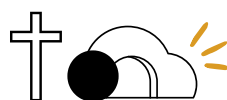

Sadly, we are *not very good* at wearing our crowns.
Can you **draw** the journey **Jesus** took to put on **his** crown?
Look at 2:9.

Angel level

Earth level

THINK IT

CROWNED

Where are **we** supposed to be?

Circle. 2:7

Nowhere

Far from God

Crowned
with glory!

And where is **Jesus** now??

Circle. 2:9

Nowhere

Crowned
with glory!

Far from God

TRICKY QUESTION ALERT: So, where will **Jesus** take his **people**??

Circle. 2:10

Nowhere

Far from God

To eat pizza

To be crowned,
with him in
glory!

LIVE IT

What did **Jesus** become a human to do?

What can we be thankful to **Jesus** for, from this passage?

PRAY IT

Let's pray about this passage.

What can we,

- Praise God for?
- Thank God for?
- Say sorry to God for?
- Ask God for?

Dear Father...

In Jesus' name I pray, amen.
