# Officers - Hearts and hands

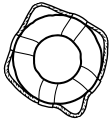

GRACE CHURCH  
SUNDAY SCHOOL

This week, we're discovering: Hebrews 4:14-5:10

## FIND IT

**WE HAVE A  
PRIEST**

Can you **draw** someone in trouble,  
who asks for help?

Can you **draw** someone in trouble,  
who doesn't ask for help?

Last time we saw that  
**The Israelites** didn't keep going.  
What did **they** do wrong?  
**Fill** in the blanks. **3:19**

"they were --- allowed to enter and  
have God's rest because  
they did not -----."

But **we** have someone to help **us** believe.  
Who is that!? **Find** the right icons. **4:14**

"We have a --- high ---"

who has --- into heaven.

He is --- the Son of God."

→ = gone

= banananananana

priest =

= bunny rabbit

= cake

= great

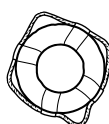

= Jesus

**Draw.** So where can we come for help now?  
**4:16**

In simple words, what does it mean to  
"come before **God's** throne"? **Circle.**

Flying through space

Praying to God

Finding a chair

## THINK IT

# WE HAVE A PRIEST

What did **Old Testament Priests** do for their job? **Circle.**

Play games

Sort people's  
sin out

Bake tasty  
treats

Run fashion  
shows

Help people  
trust God

**Jesus** is *SO KIND*. He is our *MEGA HIGH PRIEST!*  
So what do **we** do, to have more of **Jesus'** help?

How silly would it be, *NOT* to ask **Jesus** for help?  
(Remember what happened to **The Israelites!!**)

We ask him for  
help.

We don't ask  
him for help.

Very sensible.

The most silly  
thing ever!!

## LIVE IT

When can **we** feel like **we don't need** any help trusting **God**? Why is this feeling *not right*?

**Read 4:14.** What can **we** remember when **we** need help trusting?

**Jesus** is ready to help **us**. What does it make sense to do then? **4:16**

## PRAY IT

Let's pray about this passage.  
What can we,

- Praise God for?
- Thank God for?
- Say sorry to God for?
- Ask God for?

Dear Father...

In Jesus' name I pray, amen.
