

# Name:                      Officers - Hearts and hands

This week, we're discovering: **Matthew 7:1-12**

## FIND IT

Can you **draw** someone receiving a good gift?

**ASK OUR FATHER**

Can you **draw** someone receiving a bad gift?

**Jesus** has told us, we have a **Father** in Heaven!  
So what?? Jesus tells us. **Matthew 7:7**

"Continue to       , and God will        to you.  
*k a s                      e i v g*

Continue to       , and you will       .  
*a e r s h c                      d i f n*

Continue to       , and the door will        for you.  
*k k o n c                      o e n p*

Wow! So, what would happen if we asked a grown-up for something?

Can you **draw** what gifts a **child** might ask for?? **7:9-10**

Can you draw what gifts a good **grown-up** would NEVER give?? **7:9-10**

So what about the gifts that our **Father** in Heaven gives us?  
**Matthew 7:11** what does **Jesus** say? **Draw arrows.**

"So        your heavenly        will give        things to those who        him."

## THINK IT

## ASK OUR FATHER

How well do **you** think **YOU** know the difference between *good* and *bad gifts*? **Mark the scale.**

Not at all!

Not much

A bit

REALLY WELL!!

How well do **you** think **GOD** knows the difference between *good* and *bad gifts*? **Mark the scale.**

Not at all!

Not much

A bit

REALLY WELL!!

Do you think this means we'll always get what we ask **God** for? **Why/ why not??**

**Circle.**

YES!!

Maybe not!

## LIVE IT

What is something **we** might want to ask our **Father** in Heaven for?

Why might **we** not want to ask **God** for something?

What can we remember next time **we** don't feel like asking **God** for something?

## PRAY IT

Let's pray about this passage.

What can we,

- Praise God for?
- Thank God for?
- Say sorry to God for?
- Ask God for?

Dear Father...

In Jesus' name I pray, amen.
